Despite the efforts from the Clerk and Councillors no significant clean-up had been carried out by either CCC or the Environment Agency. The dry weather had meant that the dirty oil remained on the verge (highway), as the Autumn progressed and with more rainfall this would carry the pollution into the water courses.

ACTION: Councillor Grove to contact the responsible officer at CCC for assistance.

Japanese knotweed – as reported by a Parishioner, regrowth had been located.

ACTION: To be monitored.

Ted Pitts Lane – the street light had been changed.

Oak Lane The poles had been changed by BT. Currently the street lights are held on with cable ties, contractors are due to return to fix them permanently.

Broken sign on Bridle Brook Lane -

The cost to repair the broken sign would be £180 excluding paintwork. Cllr Davies had managed to identify the original manufacturer. Photos to be sent to the company who originally made the sign.

ACTION: Councillor Davies to obtain a quote for a replacement sign.

Development at Cornerways – the issues with the new lighting had now been resolved. It was noted that CCC had charged the developer for a lighting report and there was a requirement to install lighting at the entrance. Subsequently a resident had complained about the hedges that have been removed. Cllr Swan reported that new hedges were being planted in excess of what had been removed, and that the hedge removed was dead.

It was suggested that improved signage was required for the bend for traffic approaching from Oak Lane, as the tarmac entrance would look like a continuation of the road in the dark. It was also observed that a warning sign in the vicinity on Oak Lane was turned away from traffic so was useless.

ACTION: Clerk to write to Highways department requesting that this be followed up.

Advertising hoarding at the entrance to development at Cornerways – it was reported that this was dangerous and distracting to drivers.

ACTION: Clerk to email the Developer requesting this is removed. Failing that report to Planning Enforcement.

Pathway over the A45 – still not open. An opening ceremony had been held, which the parish council were neither aware of nor invited to.
