### Neighbourhood Policing

Dedicated Neighbourhood Policing teams ensure the right number of people police the right areas in the right numbers. This service will help you find out more about your neighbourhood team. It will tell you which local policing unit (LPU) and which neighbourhood team covers your area. It will provide links to both the LPU's website and, where available, your neighbourhood team's webpage.

If you google West Midlands Police and click on the link - your local police, this will take you to 'find your local neighbourhood page' then Simply enter your postcode in the search box below to find out your:

- local officers list
- contact details
- neighbourhood priorities
- and more...
